

Earth Action Hero

Home Action Plan

Ways to help our Earth in our homes:

- Shut off the lights when leaving a room.**
- Turn off the T.V. and electronics when you are not using them.**
- Use a recycling box for cans, paper, and plastic items.**
- Turn the water off when you are brushing your teeth**
- Find creative ways to reuse paper products in your home.**

Take a tour around your home and see which of these things you can do. Create a poster for your family of you ideas to help the environment right at home. Share these ideas with your grandparents and friends too!

You have the power to change the world!

Earth Action Hero

Home Action Plan

We are Earth Action Heroes!

In our home we plan to: (write or draw your plan)

We can do this!!!
